1976 FEDERATION DEMONSTRATION

In 1976 LSCA funds in the amount of \$374,011 were received by Montana State Library. \$142,991 were used to reduce the amount of the general fund dollars originally appropriated for operation of the State Library. \$174,000 of the LSCA money were used for grants to the six federation headquarters to demonstrate the advantages of participation in federations.

Because of the statewide demonstration of federation service, all libraries in the state received service from one of the six federation headquarters.

The six headquarters libraries extended service to all the libraries in their federation areas for a one-year period. At the beginning of the demonstration 25 counties were participating in federations. At the conclusion 40 counties as well as 11 city libraries now contract for library service from a federation.

REFERENDUM 70

The 1975 Montana Legislative Assembly was asked to provide one mill from the general fund for the support of public libraries in federations. Rather than allocate one mill from the general fund, the Legislature decided to put the issue on the ballot at the November, 1976, election in the form of a referendum.

The referendum was defeated.
